CHARLESTON COUNTY PARK & RECREATION COMMISSION

Where Fun Comes Naturally!

www.ccprc.com

Welcome to James Island County Park

We invite you to enjoy the natural beauty of the 643-acre James Island County Park, as well as the activities and facilities offered here. Freshwater and tidal creek fishing off the Stono River floating dock can be followed by exploration of miles of paved trails for walking and biking. Picnic sites are scattered among live oaks and marsh grasses. Equipment rentals of bicycles, pedal boats, and kayaks will help guests enjoy not only the trails, but also the 16 acres of lagoons, ponds, and lakes.

The children's Funyard playground, and chlorinated Spray Play fountain area provide hours of recreation for youngsters. Families can gather at the nearby Picnic Center in shady picnic sites complete with grills. Covered picnic shelters with volleyball courts and horseshoe pits can be reserved for groups, and are located adjacent to 12 acres of open meadows.

Take a leisurely float in the lazy river at Splash Zone Waterpark. This family water playground offers two tube slides, waterfalls, a leisure pool, and a Caribbean play structure.

The Climbing Wall is excellent for those who love a challenge. This structure features 4,500 square feet of climbing wall space, and accommodates 12-16 climbers at one time. Groups and individuals utilize the wall with assistance of trained instructors. With over 300 holds and 1,000 square feet of climbing surface, the Bouldering Wall adds another dimension to the existing 50-foot Climbing Wall at James Island County Park. This addition challenges climbers of all abilities on walls ranging from 25 degree overhangs to friction pitches. Tackle both walls with one low Climbing Wall admission price!

Dogs and their owners will love the off-leash area located behind the overflow parking area and adjacent to the lake. Trees and vegetation create a natural border making this area ideal for socializing, exercising, and playing with your dog(s). Staff members periodically patrol the area and dog owners are asked to keep their dogs under control at all times. Access to the off-leash area may be restricted during select special events.

The Campground at James Island County Park offers 124 sites in a naturally beautiful park setting for overnight travelers. Ten modern, three-bedroom vacation cottages boast screened porches overlooking the Stono River marsh, and are available for nightly (two night minimum) or weekly rentals.

The Conference Center is ideal for small business meetings and staff retreats. Receptions, banquets, and other large group functions can be held in The Edisto Hall. This facility offers an enclosed, climate-controlled area with stage, full kitchen, tables and chairs, as well as an outdoor picnic area with volleyball, horseshoes, grills, and restrooms.

Please enjoy your time with us. If park staff can help you in any way, please don't hesitate to ask.
