JUNIOR LIFEGUARD PROGRAM: AGES 10-16

Participants will become knowledgeable about our aquatic environment & its hazards while learning & participating in the physical demands of the job of a lifeguard. This program offers kids already comfortable with their swimming skills a chance to develop further in the area of water safety while increasing their knowledge of the ocean environment. They'll be actively involved with PRC beach & waterpark lifeguards, learning the basics of aquatic rescue & first aid, & "shadow" the lifeguard staff. Minimum enrollment required 2 weeks prior to 1st day of camp. Visit our website at www.cccprc.com or call (843) 762-8049 for information on pre-requisite swim tests.

*Junior Lifeguard 3 is a 2-week course where participants will become an American Red Cross Certified Lifeguard upon completion of all course requirements. It's a very physically demanding program where participants are required to participate in running, ocean swimming, & other related lifeguarding drills. Participants must have completed at least one previous session of the Junior Lifeguard Program to be eligible for participation.
