YOUR ASSIGNMENT:

YOU ARE IN THE BLUE GROUP.

To allow for safe distancing, fairy house building will occur in 10x10 foot plots. A maximum of four group members can occupy each plot. Only one adult needs to register for a 10x10 plot. If you have more than four participants, you must purchase an additional plot.

THE BEST TINY HOUSE BUILDING PROJECT EVER

Check in at the registration table to receive a building permit and guidance on gathering materials, then start creating your own little dwelling. For extra fun, come dressed up like a fairy or gnome.
