

BOAT LANDING RULES

1. Abandoning or parking vehicles or trailers on the premises of any landing for a period of more than seventy-two (72) consecutive hours is prohibited.
2. No transactions of any commercial type (i.e. give or receive money or other goods and services in exchange for money) on the premises of any landing.
3. Utilizing the parking areas of any landing solely for the customers of any for-profit business is prohibited.
4. Using any boat landing to advertise a vehicle or trailer for sale is prohibited.
5. Utilizing the boat landings for the storage, loading, or transportation of construction materials without a special permit or authorization from Charleston County Park & Recreation Commission is prohibited.
6. Utilizing the parking spaces dedicated for vehicles with boat trailers for parking vehicles on weekends or holidays is prohibited.
7. Obstructing the boat launch or "make ready" lane or "tie down" area with any vehicle or trailer, or tying to a floating dock for more than fifteen consecutive minutes is prohibited.
8. Consumption of alcohol and other intoxicants is strictly forbidden and local ordinances are enforced by local authorities.
9. Swimming is not allowed at any landing.
10. "Pack it in, Pack it out!" This litter control program is based on visitors to the boat landings taking with them all of the trash they brought with them. Cleaning and disposal of fish/shrimp/crab/oysters at the landings is prohibited. *An exception is the DNR oyster shell collection site at Sol Legare Boat Landing.*

- Mount Pleasant
- Awendaw
- Awendaw

*Due to a variety of constraints, launching standard size watercraft from these locations is not recommended. The launching of kayak and canoe is more appropriate. (Caution should be exercised at all public boat ramps. Tides, currents and natural conditions can greatly affect usage of ramps at any time. Serious drop-offs are present at low tide.)
