WATERPARK PARTIES & CABANA RENTAL RULES

Charleston County Parks are family-friendly facilities, and we expect all guests to behave accordingly. By participating in or utilizing park programs and facilities the user agrees to abide by all payment schedules, park and program rules and guidelines, and agrees all others participating will also abide by such rules. Usage is subject to compliance with all laws and facility rules and the user consents to reasonable examinations and searches to ensure compliance. Failure to comply with the law or facility rules may result in refusal of admission or expulsion.

The Charleston County Park & Recreation Commission has Agency Rules and Regulations that establish uniform procedures for the administration of activities within all parks and facilities. In addition to the established agency rules, the rules set forth below also govern functions at Splash Island, Splash Zone, and Whirlin’ s Waters.

Uneven surfaces, potentially hazardous wildlife, and weather extremes are part of the natural environment. Be prepared and stay aware.
